

FY23 Project(s) Sub Award Final Report Illinois Green Economy Network (IGEN)

Please complete this comprehensive final report based on your college's awarded **project(s) funding** through participation in IGEN's grant from the Illinois EPA for education and training in energy efficiency and renewable energy during the period of July 1, 2022 – June 30, 2023.

Please submit to Robert Hilgenbrink, at robert.hilgenbrink@jjc.edu by July 28, 2023.

- 1) Contact information for person completing report:**
 - a. College:**
 - b. Name and title:**
 - c. Email and phone:**

- 2) Describe in detail the progress, results, or status of all activities and deliverables between July 1, 2022 – June 30, 2023, including measures of success or metrics (for instance, including but not limited to amount of energy installed/saved, number of courses, events, and trainings developed or implemented, number of students trained, etc.):**

- 3) Provide a summary of your project budget and expenditures (explain any changes or variances).**

- 4) What was your greatest success and what led to this outcome or result?**

- 5) What was your biggest challenge and how did you address it?**

- 6) Does your college have any plans to continue or expand upon this project(s) in the future?**

- 7) Provide any links to marketing, media, or promotional information published or shared about your project(s):**

- 8) On a scale of 1 – 10, how beneficial or helpful has IGEN's support been for these activities, programs, and/or projects (with 1 being not beneficial or helpful and 10 being critical to success)?**

- 9) How can IGEN better provide support in the future (and please feel free to provide any additional comments or feedback here)?**

- 10) Please attach photos and any backup or supporting documentation with the report submission, as appropriate.**
